Dear Perrone Lucio and Puretti Katja,

We are pleased to provide this references letter for your Company and out cooperation.

Our Partnership was born in 2016, with The First Project of Cooperation to present Apulia destination in European Market.

After our first meet up with several tour operators arrived in our Hote,l thanks to Lucio e Katja, we registered an increase of contracts in the last two Years.

The destination of Tricase was not very popular in foreign countries as other Cities like Gallipoli, Lecce or Otranto. After the support of JLK organization on International Market, The Tour Operators and the travellers began to be interested on our destination.

In the last few months we have increased the reservations from North Europe and the Baltics and we are planning to do even more for the next year.

We look forward to work with them for more years.

We would recommend the JLK International, without hesitations.
