

## Skal International Baku

I recommend Mr. Lucio Perrone, as a professional and specialist in the tourist international markets and expert of strategies for sales and promotion.

From 2014 he cooperate with us for the promotion of Azerbaijan Country in the European market.

Thanks to the strategies and his strong work, I appreciated clear results .

Greatest was the consultant activity, to introduce in our working system the European mentality.

Lucio Perrone is not only expert, but very serious, professional and trusty person,.

My highest recommendation

Sincerely
